Letter no. A2-329-29 dated 31st March 1931, from the President O&D Hassan, recommending sanction to the resolution of the O&D that permission may be obtained to shift the the toll-gate at Ullenahalli to its original place.

The recommendation of the deputy commr Hassan district to shift the toll-gate at Ullenahalli, about two furlongs from the municipal limits of Konanur to the frontier, was sanctioned in Go. no L 937-8 Lb 62-30-2 dated 25.7.1930

2) The reasons for shifting the toll-gate at Ullenahalli to the frontier have been explained in the Dy commr's Cir no 378-3 dated 8.10.1930. But the President O&D, has explained in his letter no A III 2R 229-29 of 29.9.1930 to the Dy commr that the income from the toll-gate would be considerably reduced by the change of the location of the toll-gate.

3) The President O&D, states that the Konanur municipality will not be hampered in any way, if the District Fund toll-gate is relocated in its original place near Ullenahalli and that the toll-gate was only established with a view to improve the Ramanathpura-Dharmathalli road which is in a bad condition

THROUGH THE DEPUTY COMMISSIONER, HASSAN DISTRICT.

Sir,

Re: shifting the Ullenahalli toll gate to original place.

Adverting to G.O.No.L.937-8/L.B. 62-30-2, dated 25th July 30, directing that the District Fund toll gate located at Ullenahalli, Arkalgud Taluk, may be-shifted to the frontier, I have the honor to state that on receipt of the above order, the same was placed before the Board for their information, at their meeting held on 14th Feby.31 and the Board after careful consideration passed the following resolution:-

> "The Board are of opinion that there is a great loss sustained by them on account of the shifting of the toll gate from Ullenahalli to the frontier. The Government may be approached with a requisition for permission to have the gate shifted to the original place which is far away from the Municipal limits and which does not in any way hamper the Municipal interests".

In this connection, I may mention that the distance between the Konanur Municipal limits and the place at which the Ullenahalli toll gate had been located is about two furlongs. The Konanur Municipality will not be hampered in any way, if the District Fund toll gate is

the shifting of the gate from its original place to the frontier.

Under these circumstances, I request that you will be so good as to place the matter before Government for their sympathetic consideration and obtain their early sanction to relocate the toll gate at its original place which is beyond the Municipal limits of Konanur to enable the Board to put the road in good repairs and to improve their finances as desired in G.O.No.L.7700-7703/L.B. 173-29-51, dated 17/19th March 1931.

A copy of the resolution of the Board is enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

President,
District Board, Hassan.
